Analysis Notes:

%DV = % Daily Value based on Health Canada recommendations.
 Nutrient data is calculated based on standardized Crabby Joe's recipes and build guides using nutrition data from ingredient suppliers and the Canadian Nutrient File.
 Nutrient analysis software is Genesis R&D from ESHA Research.
 Nutrient values are rounded based on rounding rules from Health Canada's nutrition labelling regulations.
 This allergen information is based on information provided by ingredient suppliers based on Crabby Joe's standard recipes and build guides.
 This chart reflects only allergens directly added to the menu item and not allergens that MAY be present due to cross-contamination in supplier facilities or Crabby Joe's restaurants.
 Any deviation from standard recipes or menu items may change this information.
 This information may change if ingredient suppliers change their product formulations.
 Crabby Joe's restaurants are unable to guarantee that any menu item can be completely free of allergens.
 Values should be considered approximations as product ingredients may vary from time to time.
 Guests' that have special dietary needs or food sensitivities, should not rely solely on this information as the basis for deciding to consume a particular menu item.
